

Amateur Radio “Field Day” 2009

Field Day

Where the spirit of “Amateur Radio Past” joins forces with the Next Generation of Innovations, Interests and Individuals!!!

Amateur radio (ham radio) is about knowledge and growth. It is a hobby and service that truly offers “something for everyone.”

Amateur Radio embraces both the old and new.

ARRL Field Day is the most popular on-the-air operating event in amateur radio. On the fourth full weekend in June, tens of thousands of amateur radio operators in Canada and the U.S. gather for a public demonstration of our service. Field Day is part educational event, part operating event, part public relations event –
and ALL about FUN!

Come out to the Oro Fairgrounds, located at the 7th Line of Oro-Medonte and the 15/16 Sideroad from 2pm 27 June to 2pm 28 June, 2009
